Application / Enrollment Procedure:

1. **Registration Period**
Online applications should be submitted before the recruiting deadline and tuition fees should be paid 3 weeks before the program starts.
2. **Program Period**
By policy, a 12-week-long program is given for initial registration and you can extend a program for another 4-week basis.
3. **Payment**
An initial 12-week program tuition fee and other expenses should be paid 3 weeks before the program starts.
4. **Application and payment confirmation**
You can confirm the application and payment via your own agent.
5. **Preparation and departure**
Regarding this, your agent will be willing to help you.
